Thanks to You

Thank you to the Sydney Holland Foundation for matching $10,000 in donations for our Summer Appeal Campaign.

It is because of your support that we have been able to provide a lifeline to 500 San Diego youth this summer.

"Outdoor Outreach is the reason I am who I am - a person that lives life with a smile on his face. It gives kids a chance to forget any worries at
Outdoor Outreach has taken me places I never knew existed. We explore our world, but more than that, it allows students to find themselves in that world."

- Sean Sevilla, Leadership participant

Group Volunteering
This summer Outdoor Outreach is offering Group Volunteer opportunities through sponsored outings.

The amazing Fortune Builders and ESET North America staff sponsored and volunteered for three trips this summer, providing transportation, food and equipment. The participants got to experience something they had never done before, and the activities facilitated meaningful connections between corporate volunteers and at-risk youth.
