

Important Leadership Program Dates

Thank you for your interest in joining the Outdoor Outreach Leadership Program! As you learn more about the program, please note these important dates that will help guide you through the application process.

The application process begins with an open application which you can find on our [website](#). After applications are reviewed, a selection of applicants will be contacted for phone interviews, followed by a round of in-person interviews. Following interviews, our team will review all applicants and determine which of those applicants will be accepted into the program. If you have been selected to participate in the program, you will be notified and given a week to accept.*

**Please review all dates to be sure they align with your schedule. If your availability no longer aligns with our program at any time, please let us know as soon as possible so that we can offer your space to waiting applicants.*

A more in depth schedule of our summer activities will be shared with the incoming cohort in May 2019.
