

BIKE MAINTENANCE TECHNICIAN

Supervisor: Khalisa Bolling, Director of Programs

DESCRIPTION:

We need experienced volunteers who can help us transfer the ownership of bike maintenance back to the youth we serve by teaching, or helping to teach basic and advanced bike maintenance to our adventure clubs and leadership students.

DUTIES:

- * Instruct or help instruct groups of 10-15 students in basic bike maintenance
- * Instruct or help instruct groups of 3-4 students in more complex bike maintenance and repair
- * Perform more complex repairs, as needed

DESIRED QUALIFICATIONS:

- * Experience working in a bike repair shop
- * Experience with teen youth, a plus
- * Experience teaching bike maintenance, a plus
- * Ability to engage youth and get them excited about bike maintenance
- * Dynamic and outgoing personality
- * Ability to pass a Live Scan background check (at your own expense ~\$15-20)

TRAINING:

Volunteer Orientation (required)

WHAT IS MEANINGFUL ABOUT THIS POSITION?

Sharing a love of bike maintenance with the students, and facilitating the transfer of ownership to the students we instruct.
