

IT SUPPORT

Supervisor: Khalisa Bolling, Director of Programs

DESCRIPTION:

We are looking for volunteers who can assist us with our computer problems and are available for on call support. When our computers get sick, we can always use a helping hand!

DESIRED QUALIFICATIONS:

* High level of knowledge in information technology and computer support.

TRAINING:

Volunteer Orientation (required)
Development Orientation (required)

WHAT IS MEANINGFUL ABOUT THIS POSITION?

You will be helping us maintain and advance our already successful operations which will result in better programming and more youth served!
